<sup>1</sup> Large outside mirrors combined with wide A pillars may block the view of some small-statured drivers at intersections.

<sup>2</sup> Six-way adjustable seats does not necessarily translate to power seats but refers to seats that adjust forward and backward, up and down, and seat back up and down. Pricing is based on January 2008 listings on AAA.com.

<sup>3</sup> Ideal seat height is defined as between mid-thigh and lower buttocks.

**NOTE:** This list represents those vehicles with high AAA Safety scores (4 and 5). Vehicles that had not received IIHS and/or NHTSA complete scores are NOT listed in this matrix. Be advised that additional 2008 model year vehicles may qualify for this list based on future safety information releases. Features listed may be optional or available only with certain trim levels.
